**SUPPLEMENTARY INFORMATION:** The 15-member John Day-Snake RAC was chartered and members appointed by the Secretary of the Interior. Its diverse perspectives are represented in commodity, conservation, and general interests. It provides advice to BLM and, as needed, U.S. Forest Service resource managers regarding management plans and proposed resource actions on public land in the John Day-Snake area.

The Planning Subcommittee was established to gather information, conduct research, and analyze relevant issues and facts on selected topics for future consideration by the RAC. The Subcommittee's primary goal is to provide information to the RAC members that allows them to better respond to time-sensitive issues, such as responding to an environmental document within the public comment period. No decisions are made at the subcommittee level.

Meetings are open to the public in their entirety. Agenda items include review of recreation fee proposals for the Wallowa-Whitman, Malheur, and Deschutes National Forests. Depending on the number of people wishing to comment and the time available, the amount of time for oral comments may be limited. The public may send written comments to the Subcommittee and RAC (see **ADDRESSES** section).

The Designated Federal Officer will attend the call, take minutes, and publish detailed meeting minutes on the RAC webpage (see the **ADDRESSES** section earlier).

Before including your address, phone number, e-mail address, or other personal identifying information in your comments, please be aware that your entire comment—including your personal identifying information—may be made publicly available at any

time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee we will be able to do so.
